

THE TEXAS LYCEUM

2023

**Texas Lyceum Annual
Sponsorship Opportunities**

Dear Prospective Texas Lyceum Supporters,

The Texas Lyceum is the premier, statewide non-profit, non-partisan Texas leadership organization focused on exploring the interrelationships of the pressing policy issues impacting our state and nation through civil discourse between leading experts, Lyceum Directors, Lyceum alumni, and the general public at conferences.

Our members are a mix of private and public sector leaders including a President of the United States, White House staff members, U.S. Senators & House Members, State and Federal Agency leadership, Ambassadors, Texas Governors, and CEOs or other senior executives for both public and private sector organizations. You will find our roster to be a driving force of advocacy and influence on key policy issues now and into the future.

With a leadership legacy spanning more than 40 years, our Texas Lyceum Directors and Alumni are influential leaders who serve their communities and collaborate on the solutions and innovations that will take the state through this decade.

Our organization is well-positioned to play a pivotal role in leading our great state in this richly diverse environment. True to our mission, we will continue to explore the interrelationships of the pressing policy issues impacting our state and the next generation of leaders. With our unrivaled programs, we strive to provide paths for action and a forum for civil discourse.
